In Institute for European, Russian, and Eurasian Studies (IIERES), backsliding and public policy, this center of longstanding and recently-movements. From security and international affairs, to democratic explain how, in the absence of both crackdowns and public support, ‘Duterte was able to rule—do not seem to explain the lack of mobilization in the Philippines. The authors offer mobilization against autocratization can be limited. Those conventional theories—focused president from 2016 to 2022, and his government challenges conventional theories of why thinking through an alternative agonistic imagination; a way of thinking and writing Britain's public debates. This distinction allows Farrant to connect the limits of the liberal had troubling effects on democracy and the rule of law. renaming of streets, the construction and deconstruction of monuments,” etc. This has written school textbooks, the constant airing of national history themes on public media, memory through the “creation of government-loyal research institutes, museums, newly credentials and ongoing scrutiny of the factional tensions within it, tied as those are to the party's modernization project and fueled “a greater cognizance of the DUP's populist —before assessing Trump's impact on the behavior and development of the DUP. He finds Neil Matthews practices, without activating an authoritarian dynamic,” and in general its pragmatism has Meloni have their roots in post-fascism and have espoused illiberal beliefs, in recent years partner in Italy's government and the only populist radical right party leading a Gianfranco Baldini. Ultimately suggests that democratic regimes are moving in one of two directions: toward Qazbir across governments helps to qualify the impression of widespread convergence.” Kapelner hard ethical dilemma that does not lend itself to a straightforward resolution” Kapelner exclusion, but not doing so risks “democratic dysfunction, even democratic failure.” Eric Helleiner more restrictive immigration policy. Doing so exposes immigrants to injustice and highly flexible and easily mobilized political tool, and while it is important to understand (particularly football/soccer) into their message. The article demonstrates that sport is “a about populism have undergone a similar trajectory to those that came to dominate fascism, and its definition and characteristics. Cronin first argues that scholarly debates globalization, while contributing to the clarification of the polycrisis concept itself. democracy. In doing so, he highlights the seriousness of the crisis facing economic crises: the breakdown in US-China economic relations; the crisis in global health; the crisis in international security; the global environmental crisis; and the crisis of.
